## **Kristin Richardson Jordan treats the City Council as a no-show job.**

She has been absent from nearly 50% of all Council meetings since taking office, and she has missed nearly 20% of all Council votes.

Even worse, she doesn't provide any real constituent services, and she doesn't even have a district office in our community.

Here are just some of the Council Committee meetings she has missed:

- ✗ Civil and Human Rights**
- ✗ Women and Gender Equity**
- ✗ Aging**
- ✗ Youth Services**
- ✗ Sanitation**
- ✗ Veterans Affairs**

***If she doesn't show up for our community, why should we show up for her?  
Vote NO on Kristin Richardson Jordan.***
